

Global opportunities for major loss adjusters

Is loss adjusting a passion? Would you like to be part of a Company that has vast international growth plans? We are the world's largest independent claims management solutions Company, with more than 8,700 employees operating in 700 locations across more than 70 countries.

As part of our strategy to grow our market share in all of the major loss and specialty market sectors and capitalise on the strength of our global footprint we are looking for high calibre international Loss Adjusters and established Practice Groups with the passion, commitment and drive to succeed to work in our Specialty Markets / Global Technical Services teams.

To flourish in this role, you will need:

- To be an existing experienced Major Loss Adjuster recognized in your specialist marketplace
- To hold [an] industry recognized qualification[s] in your jurisdiction
- To have worked in a specialist team such as our current Practice Groups
 - Agriculture and Food
 - Aviation and Aerospace
 - Banking and Finance
 - Construction and Engineering
 - Environmental Risk
 - Forensic Accounting
 - Marine and Transportation

- Media, Entertainment, Contingency
- Mining
- Power and Energy
- Pharmaceutical
- Technology, Telecommunications, Cyber
- Global Major Loss CAT response

- To have strong communication, negotiation, customer service and organizational skills

If you are someone who thrives in a challenging environment, have the customer at the heart of all you do and a real sense of what team work is all about then we want to hear from you.

To apply for this role please email a copy of your resume in the Americas (Canada, USA and Latin and South America) to majorlossadjusters@us.crawco.com and in Europe, Middle East, Africa and Asia Pacific to people@crawco.co.uk

We are an equal opportunities employer.
